**Online Course
&
On-site Testing**

Do you have personnel that need a particular TCFP Certification?

Can you not afford to pay for travel and time to send them to a course out of town?

Can you not find a course that meets your agency needs, schedule and timeline?

Texas Fire Academy offers several courses that are TCFP approved that can be tailored to your needs and timeline. All courses are completed through an online learning management system with our instructors coming to you for the Skills and Final Testing! Contact us today!

The following courses are currently offered in a remote setting:

Driver Operator - Pumper

Fire Officer 1 & 2

Fire Instructor 1, 2 & 3

Fire Inspector 1 & 2 (w/ or w/o) Plans Examiner

Plans Examiner

If you are interested in scheduling a remote course, contact the Texas Fire Academy Admissions Coordinator Rebecca Malik:
